Description

A description of using lime-water to expel bladder stones. Letter dated 23 September 1783 from Rev. Dr. Mather Byles to his sisters. See also Byles' "Treatment and Precaution for Being Disordered" and "Blackberry Jelly to Treat Nephritic Complaints" as well as the Almon Family Scrapbook's "Receipt to Make Blackberry Jelly: An

Approved Medicine for Nephritic Disorders."

Time into Eternity! On the 12th. by the Advice of my Physicians, I began to drink Lime-Water. On the 13th. I discharged formidable Calculus: & on the 14th. a second, with many circumstances of Distress & Horror. It would be the most criminal Ingratitude in me not to add that the merciful Interposition of a kind Providence was very visible & remarkable. Since this, I have been easy: & my Strength is recruiting. I still continue the Lime Water: but am unable to procure any Shell-Lime, which I am told is preferable to Stone. [...]
