Description

A recipe offering an antidote from any "bad effects or disasters" that might arise from the prescription of an unnamed physician. The letter was sent to Halifax, likely from a Byles family member in Boston. Series A #3 Letterbook.

nod of approbation to say "I thank you Dr. for y^r. compliments" -- By y^e. day, as he found me sur-
-orned wth. such a number of lett^{rs} to answer, he very kindly requested he "might have the
pleasure of answering one of them for me" & I had almost accepted his obliging offer, when
y^e. sudden thought occured y^t. what he wrote might possibly prove a Recipe & if sent to
