Description

Instructions for a solution used to reduce eye inflammation.

Transcription

Camphorated Eye Water

1 dram of Camphor 20 drops of spirits of wine, rub them together until the Camphor becomes a powder then add a pint of boiling water, strain it through linen & bottle it up.

If the Eyes are inflam'd add equal parts of the above & spirit of Mindererus & bathe the Eyes 3 or 4 times a day

Annotations

spirit of Mindererus

A solution of ammonium acetate and alcohol usually used to treat fever.
