Translation

Antimony Wine

Recipe: 40 grains of tartar emetic, 2 ounces of water, and clean linen. Let it be held over the linen in a glass vase until the tartar is dissolved. Then add 6 ounces of white wine. Mix and xxxxxxxxxx

Tincture of Mars

Recipe: 3 ounces of iron shavings, as much Spirit of Salt 2Hydrochloric acid as needed to dissolve the metal. Cook with a gentle heat and after the iron is entirely dissolved add as much rectified spirit of wine as needed so that two pounds' measure of the [??] liquor is made.
